Fees subject to admission and sales tax.

The Hole-In-One Program is a required charge for memberships with golf privileges. The initial fee of \$5 is charged to the member account. The recorded hole-in-one recipient receives a plaque, drinks on the house after the round for all members in the club bar at the time and the remaining balance is issued to your golf shop credit account. The fee is replenished by beginning another cycle for the \$5 charge to all members with golf privileges.
