

## **TENNIS COURT TIPS**

**WHEN DRAGGING THE COURT, PLEASE DO ONE LAP AROUND THE PERIMETER OF THE COURT ALONG THE FENCE, THEN WALK ACROSS THE WIDTH OF THE COURT FROM SIDE FENCE TO SIDE FENCE UNTIL THE COURT IS COMPLETELY SWEEPED, AND YOU SHOULD FINISH IN ONE OF THE CORNERS OF THE COURT ALONG THE FENCE.**

**PLEASE WALK THE BROOM WHILE DRAGGING THE COURT, DO NOT RUN WITH THE BROOM (PULLING THE DRAG BROOM TOO FAST CAUSES THE BROOM TO SKIP AND DISPERSES THE CLAY, LEAVING BARE SPOTS AND UNEVEN CLUMPS OF CLAY ON THE COURT)**

**PLEASE REMEMBER TO HANG ALL DRAG BROOMS AND LINE SWEEPERS ON THE FENCES AFTER USE (SO THE BRISTLES DO NOT TOUCH THE COURT)**

**PLEASE PUT THE BENCHES ON COURTS 1 & 2 IN BETWEEN THE TWO COURTS IN-LINE WITH THE WATER JUG (SHORT FENCE OPENING), SO THE BENCHES WILL NOT BLOCK THE SPRINKLER HEADS WHEN WATERING THE COURTS AT 12PM AND OVERNIGHT**

**PLEASE REMEMBER TO TURN OFF THE COURT LIGHTS AFTER PLAY IF YOU TURNED THEM ON, OR IF YOU ARE THE LAST TO PLAY AT NIGHT**
